## FARM TO FAMILY

Canada is blessed with an abundance of quality grain, clean water and fresh air. Proud farm families, over generations, then do their part to humanely raise, in the most sustainable manner, beef, chicken and pork—all of which provide for a trusted foundation of food integrity. As such, at Mountain Creek Farms, we are able to procure the highest quality protein to help our customers create trust and lasting loyalty with their consumers.

## CONSUMER READY

Increasingly, consumers are searching for value, convenience and selection, but they will not compromise quality and safety. They desire options that will fit into their busy lives and at the same time, provide for opportunities to create lasting memories. Whether with friends or family, Mountain Creek Farms offers a wide portfolio of protein solutions, tailored with your customers in mind.
