

# JBS USA's **Industry-Leading Actions** to Protect its Team Members from COVID-19 Often Outpaced the Federal Government & Industry Standards

## TRAVEL BANS

## MASK MANDATES

## PHYSICAL DISTANCING

**JBS**

**February 28, 2020**  
 JBS established **"Emergency Preparedness Guidelines"** which among other things **barred international travel**.

**March 19, 2020**  
 JBS sourced and ordered **1.2 million masks** for its entire workforce.

**March 16-23, 2020**  
 JBS instituted **multiple physical distancing measures** across all of its facilities.

**12 DAYS BEFORE**

**15 DAYS BEFORE**

**31 DAYS BEFORE**

**OFFICIAL GUIDANCE**

**March 11-14, 2020**  
 President Donald Trump issued two separate travel bans on non-Americans traveling within the Schengen Area or the UK and the Republic of Ireland, respectively.

**April 3, 2020**  
**CDC** began recommending that Americans wear fabric face coverings in public.

**April 16, 2020**  
**OSHA** issued guidance specifically for manufacturing employers, which recommended manufacturing lines be modified to create six feet of distance between workers "if feasible".
